

# Number-writing 8

1 Trace and count. Write.

Tracing practice on a four-line grid. The first row contains a solid black 8, followed by two rows of dotted 8s with arrows. The second row has seven dotted 8s. The third row has a dotted 8 followed by six blue dots on the top line, serving as starting points for writing the number 8.

2 Count and trace.

Counting and tracing activity with four light blue boxes. Each box contains a set of objects and a dotted number for tracing:

- Box 1: 8 flowers, dotted number 8.
- Box 2: 6 ducks, dotted number 6.
- Box 3: 8 moons, dotted number 8.
- Box 4: 7 butterflies, dotted number 7.
